Important Information

1) Registration is required for our 2021 Parade.

2) Once again for 2021 Prizes will be awarded by draw. We will use the registration information and contact winners after the event to arrange prize drop off.

3) Consider adding festive music to your float. It really adds to the experience!

4) *Follow these guidelines provided by the Leeds, Grenville and Lanark District Health Unit for a safe and health Christmas parade experience:*

   a) Record the contact information of everyone participating in your group or float, keep the information for one month and provide it to the Medical Officer of Health or a public health inspector upon request.

   b) Absolutely no giveaways, no throwing from the float (candy, cards etc.)

   c) Encourage all members of your group or float to screen for COVID-19 symptoms and only attend if they are well. They can use this screening tool Coronavirus (COVID-19) self-assessment (ontario.ca).

   d) Physical distancing is strongly encouraged; however, when physical distance cannot be maintained participants must wear a mask.

   e) If there is more than one person in a vehicle or driving a float; masks must be worn (unless those people are from the same household).

   f) Walking participants must physically distance from the spectators of the parade.

For more information or to register contact the Municipality of Mississippi Mills Recreation and Culture Department at 613-256-1077 or recandculturedept@mississippimills.ca
