

FLUSHING AND CCTV FOR SANITARY SEWERS AND PROVISION STORMWATER
SEWERS 2023-2026
Project No. PW-23-22

The Corporation of the Municipality of Mississippi Mills will receive bids for this project before 2:00 p.m. on September 7th, unless modified by addendum at:

The Corporation of the Municipality of Mississippi Mills
Attention: CAO
3131 Old Perth Road
Almonte, Ontario
K0A 1A0

On an annual basis the Municipality of Mississippi Mills cleans and inspects one (1) quadrant of the sanitary sewers in the Almonte Ward and one quadrant/area of stormwater sewers (or more as specified) within the Municipality. The Municipality of Mississippi Mills is requesting a price per meter to clean and camera the sanitary sewers in the Municipality. This is a multiyear contract with unit prices being requested for works in 2023, 2024, 2025, and 2026. As a provisional item, stormwater sewers may also be included as part of the works.

The Bid Documents are available through MERX.

For further information please contact Zack Moshonas, Environmental Compliance Coordinator; zmoshonas@mississippimills.ca or 613-256-2064 x405.
