

THE CORPORATION OF THE TOWN OF MISSISSIPPI MILLS

BY-LAW NO. 13-56

See also by-law 02-100 Use and Care Roads

By-law 02-78 Littering

BEING a By-law to establish and maintain a system for collection, removal and disposal of waste, other refuse and recyclable material.

WHEREAS section 11(3) of the Municipal Act, 2001, S.O 2001, c.25 as amended, provides that lower tier municipalities may pass by-laws within the sphere of waste management;

AND WHEREAS it is deemed expedient that rules and regulations be made for establishing and maintaining a system for the collection, removal and disposal of garbage and other refuse within the Town of Mississippi Mills;

AND WHEREAS the Council of the Corporation of the Town of Mississippi Mills deems it necessary to charge fees to recover the costs;

NOW THEREFORE the Council of the Corporation of the Town of Mississippi Mills enacts as follows:

1. DEFINITIONS

- a. "Boxboard" shall mean non-corrugated cardboard.
- b. "Corrugated Cardboard" shall mean and include all material made from corrugated paper, excluding wax-coated cardboard.
- c. "Container" shall mean an acceptable container for curbside collection as defined in schedule C Table I
- d. "Bundle" shall mean an acceptable bundle for curbside collection as defined in schedule C Table I
- e. "Town" shall mean The Corporation of the Town of Mississippi Mills.
- f. "Enforcement Officer" shall include a municipal by-law enforcement officer appointed by the Town Council to enforce the provisions of this by-law.
- g. "Highly combustible material" shall include photographic film celluloid, gasoline, oil or other flammable liquid or material soaked with any of the same.
- h. "Occupier" shall mean a person who is in physical possession of premises or who has responsibility for and control over the condition of premises or the activities carried on there, or control over persons allowed to enter the premises.
- i. "Owner" shall include the legal title holder of the property, the occupier of property or the person, for the time being managing or receiving rent of the land or premises in connection with which the work is used, whether on their own account or as agency or trustee of any other person or who would so receive the

rent of such land and premises where rented, and shall also include a lessee or occupier of the property who, under the terms of the lease, is required to repair and maintain the property in accordance with municipal by-laws.

- i. "Person" shall include an individual, a partnership or corporation to whom or to which the context can apply.
- m. "Premises" shall mean and include one self-contained dwelling unit, residential or commercial, and in cases where buildings are subdivided and in possession of two or more occupiers, each occupier shall be deemed to be an occupier of a premise within the meaning of this by-law.
- n. "Residential Unit" shall mean and include single family homes, each unit in a duplex or triplex, and each unit in a multi-residential apartment.

2. SHORT TITLE

This By-law may be referred to as the "**Waste Management and Collection By-Law**".

3. GARBAGE COLLECTION AREA

The entire geographical area of the Town of Mississippi Mills be designated as a "Garbage Collection Area".

4. LEAF AND YARD WASTE PICK UP DAYS

"Leaf and Yard Waste Pick up Days" shall be provided periodically, at the discretion of the Town. The schedule of collection shall give notice as to the day that leaf and yard waste will be collected with the said notice to be given on the website and in the local paper.

5. SALE OF BLUE BOXES

The first blue box is free of charge and each subsequent blue box will be charged at cost, in accordance with the current By-law that imposes fees and charges for blue boxes.

6. HOUSEHOLD ORGANICS

- a. Property owners are strongly discouraged from disposing of household organic waste in the curbside collection of Type I waste as described in this by-law.
- b. The Town shall encourage diversion methods such as composting by providing residents with information and through the sale of backyard composters.
- c. The Town shall make backyard composters available to residents for their own use; composters, shall be sold to residents and charged at cost, in accordance with the current by-law that imposes fees.

7. WASTE ELECTRICAL & ELECTRONIC EQUIPMENT

- a. Waste electrical and electronic equipment shall not be included for disposal as part of Type I waste, and shall not be permitted to be disposed of at any municipally operated landfill or transfer station.

8. RULES FOR COLLECTION, REMOVAL AND DISPOSAL

The following rules apply to the curbside collection, removal and disposal of garbage or recycling and other refuse:

- a. Property owners are responsible for the proper disposal of all waste generated from their properties. Owners may utilize the municipal waste collection system for disposal of their permitted waste.
- b. Types I, II and III Wastes as identified in Schedule B of this by-law may be set out at the Curb for collection.
- c. Items to be picked up are to be left at the end of the owner's driveway at the edge of the travelled, open, maintained roads or other designated area.
- d. Items to be picked up may be placed out after 6:00 pm the day before collection, but must be placed out no later than 7:00 am on the designated collection day.
- e. All empty containers, or material, waste, leaf or yard waste or recyclable material must be removed by the occupant by 9:00 pm on the day of collection.
- f. When waste collection cannot be made on the regular day as prescribed by the collection schedule, the Town shall make reasonable effort to notify affected residents.
- g. Bag tags shall be issued annually, in August of each year for September 1st to August 31st. Bag tags issued in the previous years will be honoured. The allotment of bag tags is set out in Table I of Schedule D of this by-law.
- h. Bag tags are allocated on a per unit basis and property owners are responsible to distribute bag tags to their tenants and to apportion bag tags between former and new tenants.
- i. All items not collected shall be properly disposed of at approved locations in accordance with the regulations of the Ministry of the Environment.
- j. Each rate payer shall be permitted to set out one (1) acceptable container of waste per week. No Bag Tag is required for the first container. Each additional container set out shall have a bag tag affixed to the container.
- k. A second container may be placed out for pickup at curbside without a bag tag affixed to it, during collections taking place the week immediately following Christmas Day, New Years Day, and Easter Monday of each year.
- l. No person shall set out any of the materials identified as uncollectable Type IV Waste in Table 1 of Schedule B of this by-law.

- m. Every person shall set out recyclable materials for collection in recycling containers as prescribed in this by-law. Additional recyclable materials shall be placed beside the recycling container in a manner convenient to the collection staff as prescribed by the Town. There is no limit to the number of recycling containers placed out for collection by an owner or occupier of a premise. Recycle items to be set out for curbside collection are included in Type II and Type III Waste as defined in Table 1 of Schedule B of this By-law.
- n. Owners, householders or occupants placing garbage or other refuse out for collection are responsible for same until it is picked up.
- o. The Town shall not be responsible to any property owner, householder or occupant for loss or damage to garbage containers.
- p. The Town shall not be responsible for pick up of any garbage placed out for pick-up which has been spilled or otherwise displaced by persons other than Town employees or by acts of nature.
- q. Cottages, which are only accessible by water or by air, are permitted to "opt out" of the Town's municipal waste collection system and not pay for the service.
- r. Businesses may "opt out" of the Town's municipal waste collection system and not pay for the service, but must first provide proof that they have another service provider hired to remove their garbage and recycling.
- s. No person shall throw, place or deposit in or on any street, highway, lane, alley or other public place within the Town any material, refuse or waste, except as provided for in this by-law.
- t. In commercial premises, including, but not limited to restaurants, grocery stores, food stores, butcher and meat shops, refreshment stands, hardware stores or any premises where it is necessary to accumulate waste in large amounts, the same shall be placed in containers and contents shall be stored in a waste room or bin so constructed to prevent the entrance of flies, rats or other vermin, and the said room or bin shall be maintained in a sanitary condition at all times. There shall be no pick up of corrugated cardboard under this by-law from these premises.
- u. No person shall place highly combustible material in a container for collection by the Town, either in a separated form or combined with other waste.
- v. The Town may designate certain days or times as "Exchange Days" whereby items placed at the curb side on the specified day or time may be removed by other residents of the Town for the purpose of reuse.

9. MANAGEMENT/OPERATION OF THE WASTE MANAGEMENT SITE

- a. The Town will designate the hours of operation for the Landfill Site, which will be posted at the site. Any change in hours of operations will be posted on the Town website two weeks in advance of the change in hours.

- b. Any hazardous waste materials, propane tanks or batteries entering the site shall be refused entry at the landfill site.
- c. If a load of waste is dumped at the site and is found to contain material that is not accepted, the carrier of the waste will be warned in writing and may be required to remove the unaccepted materials. The warning shall be in writing and advise the carrier that the material is not accepted and that a subsequent incident will result in a surcharge at twice the rate paid at the site for the load.
- d. One Landfill Pass will be distributed to all home owners with the garbage tags as per the allotment authorized in Schedule D, Table 1. The pass is valid for one free load up to 500kg. Free Landfill pass will expire on December 31 of the year following the date of issuance. Hazardous waste will not be accepted. Tires are free but are subject to an additional charge if they are still on the rim. Household appliances not tagged "Freon Free" will have an additional charge as outlined in Schedule "A".
- e. The Landfill Site shall be under the supervision of the Director of Public Works or his or her designate.
- f. Dumping and tipping rates established by the Town and prescribed in Schedule "A" of this by-law shall be applicable to all persons authorized to use the landfill.
- g. No person shall dump or deposit waste or other refuse at the Landfill in accordance with the provisions of this by-law, except waste generated from a source located within the Town, unless otherwise authorized in writing by the Director of Public Works or his or her designate.
- h. Waste material, recyclable material or other refuse delivered to the Landfill shall be placed in the areas as designated in the operational plan for the facility.

10. ENFORCEMENT

This By-law shall be enforced by the Municipal By-law Enforcement Officer and/or the Director of Roads and Public Works, and/or his/her designate. For the purposes of enforcing the provisions of this by-law, such enforcement officers may inspect waste and material set out for collection on public property and on private property upon the request of the owner or occupier of such property.

Every person who contravenes any provisions of this by-law, or any owner or originator of waste thrown, deposited or placed in contravention of this by-law, upon conviction is guilty of an offence and is subject to the penalties as prescribed in the Provincial Offences Act, R.S.O. 1990, Chapter P.33 or any successor legislation in substitution therefore.

11. FEES AND RATES

- i. That fees and rates contained in Schedule "A" shall apply
- ii. This By-law shall come into force and take effect on the day of its passing.

12. ENACTMENT

That this By-law will come into effect on June 1, 2013.

13. REPEAL OF BY-LAW

THAT By-law No. 10-31 and any other by-law inconsistent with the provisions contained herein are hereby repealed.

BY-LAW READ, passed, signed and sealed in open Council this 14th day of May, 2013.

John Levi, Mayor

Jodi Collins, Town Clerk

Schedule "A"

BY-LAW 13-
