

Addenda for questions/clarification requests for RFQ 23-06

Posted Feb 28/2023

1. Colour for PPE shall be tan.
2. Wristlets shall be either thumbhole or thumb loop style.
3. There is no preference for reinforcement material for knee and pant cuff. Please present us with the best option with durability, comfort and protection in mind.
4. Material selection for outer shell, thermal liner and moisture barrier. We acknowledge that there are many possible combinations of materials. The materials must meet the specifications provided in the RFQ. We have no specific preference.
