Questions from Candidates to Staff

1. **I have had a resident call to ask if MVCA pays taxes for the Mill of Kintail property and if not why not?**

The owner of the Mill of Kintail does pay property taxes to the Municipality of Mississippi Mills.

2. **Can you please provide a list of grants with totals the municipality has received from November 2018 to present?**

The answer to this question requires more time to compile. It will be ready next week and will be sent to all candidates as soon as the answer is available.

3. **I was reading through the SP tonight and noticed that the Org Chart for the Town is out-dated. It describes the situation as of 2019-2020.**

Could you please send me the current organization Chart with a list of employees and current positions? I know that there have been a significant number of changes and staff hires in the past 20 months, but I don't know who or what.

Please find an organizational chart attached along with a directory of staff.

4. **Can you please pull a report from the Committee of whole agenda from November 2, 2021, F.6. - Carleton Place Cancels Joint Recreation Cost Sharing Agreement. Page 191 to 197.**

The minutes for this report: Section F6 Resolution No CW270-21 and Resolution No CW271-21 page 4, also the letter sent to CP by Ken Kelly regarding a new pool agreement & the response sent back to Ken by Carleton Place.

The main report is part of a 245 page agenda, can this section & the two letters be compiled into a PDF on its own, reposted on the MM web site and a link provided to it to the Candidates.
