Dear Proposed Pre-Authorized Tax Payment Plan Participant:

Below is some information pertaining the Pre-Authorized Tax Payment Plan for the Municipality of Mississippi Mills.

1. In order to qualify to participate in the Pre-Authorized Tax Payment Plan, your tax account(s) **cannot** be in arrears.
2. The fiscal year for the Pre-Authorized Tax Payment Plan is October to September (12 payments). This means you will begin making payments towards your year's taxes in October of the previous year. In this way, you will always have enough funds in your Tax Account to cover the tax installments when they become due.
3. Payments for the Pre-Authorized Tax Payment Plan will be withdrawn from your Bank Account on the **25th day of each month**.
4. If joining the Plan part way through the year, the Municipality will calculate the payment amount based on the amount of taxes remaining to be paid divided by the number of months remaining in the cycle of the Plan.
5. The budget for the Municipality is typically set by June of each year. The budget decides what the tax rate is for the year. The tax rate, multiplied by your assessment, equals your annual taxes.

When the current year's taxes are known each year, a recalculation of your Tax Account will be performed. Any resultant tax increase/decrease will be reflected in your July to September payments on the Pre-Authorized Tax Payment Plan.

6. If the Municipality receives notification **twice** of non-sufficient funds (NSF) in your Bank Account to make the required monthly tax payment, the Municipality reserves the right to remove you from the Pre-Authorized Tax Payment Plan.
7. If the Municipality receives notification of non-sufficient funds (NSF) in your Bank Account when it attempts to withdraw the monthly payment, a \$30 service charge will apply. The service charge is subject to change without notice.

If you have any questions on the above information, please do not hesitate to contact Liz Syme at the Municipal Office, 613-256-2064 ext 222.
