

## 2023 4th Quarter Report Lanark County OPP

### Report to MISSISSIPPI MILLS

#### Note

It should be noted that the Covid-19 Epidemic has had a significant influence on offences as well as traffic. Due to various restrictions during the Epidemic, there was considerably less travel as well due to “Lock Down” measures. These various responses appear to have had a particular impact on property and driving related offences in a downward fashion. The Pandemic was declared the 11<sup>th</sup> of March 2020 and the impacts were obvious for 2020-2021 and to a lesser degree for 2022 offence related incidents. This is particularly relevant when looking at the benchmark occurrences for this report.

While 2022 did see a start to return to normal it is anticipated that 2023 will see a true return to numbers, similar to the pre-pandemic 5-year average for both offences and traffic related occurrences. Writer has updated this report to include a “Pre-Pandemic 5-year Average”. Writer has used 2016 – 2020 for the 5-year average.
