

DOWNTOWN ALMONTE CONSTRUCTION 2022-2023

Communications

Mississippi Mills appreciates those who have provided their information to be added to our emailing list. For those of you who have not yet joined our email list, please provide contact name, phone number and property address to smithr@mississippimills.ca and you will be added for future notifications.

Enbridge Gas

Enbridge will be commencing work starting Monday April 11, 2022, prior to Cavanagh Construction. This work consists of infrastructure upgrades required to facilitate roadwork to be completed by Cavanagh Construction. This work will be on Mill Street between Bridge Street and Brae Street. The expected duration for this work is approximately three weeks.

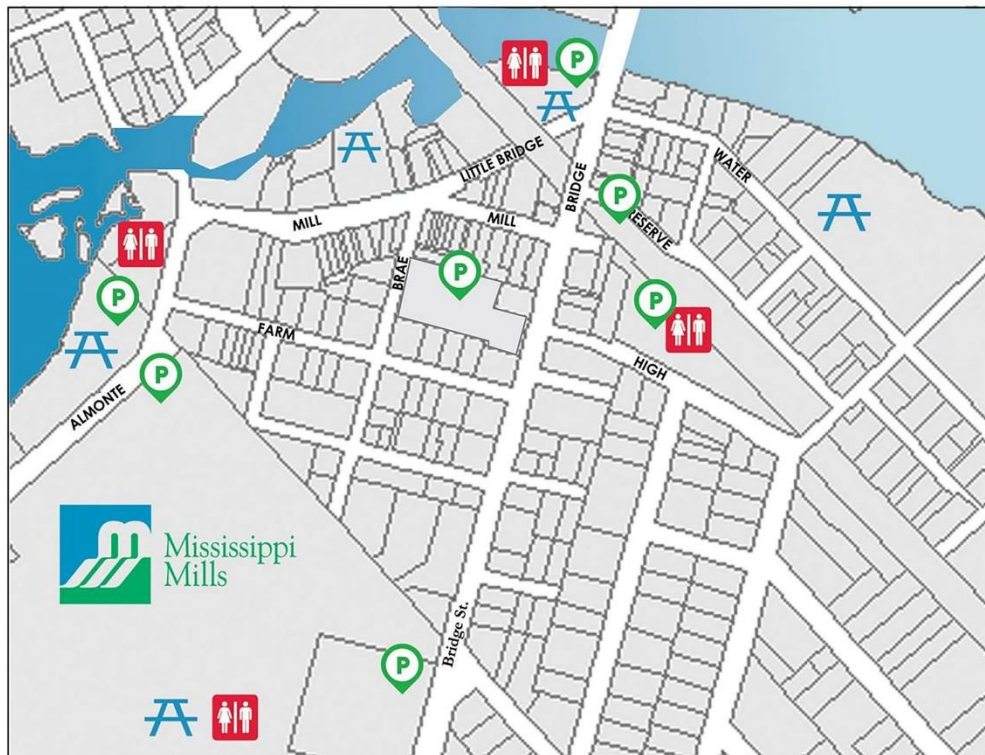

Advance notice signs for the Enbridge closure have been installed at Metcalfe Geoheritage Park and the intersection of Queen St and Clyde Street. As always, businesses and sidewalks will remain accessible to the public throughout the duration of this work.

Additional Parking Locations

There are several areas you can park while the downtown is under construction. We've highlights a few of the parking lots available in the surrounding areas as well as the Information and Tourist Centre and Public Washrooms.

Please note that not all locations may be accessible during certain times of construction.

Welcome to Downtown Almonte

Cavanagh Construction Preparation

Cavanagh Construction will begin mobilization of construction equipment, setting up temporary construction signage and preparing for underground work starting on April 18th, 2022. A full road closure is scheduled to start May 2nd, 2022, starting at Almonte Street, and progressing up Mill Street towards Brae Street. As construction progresses, access from Almonte Street will be restored.
