

Dear Local Residents & Businesses,

Thomas Cavanagh Construction Limited (TCCL) has been contracted by The Corporation of the Municipality of Mississippi Mills (Town) to reconstruct underground water/sewer, electrical, roadways, paving and landscaping on Mill Street, Little Bridge Street, portions of Brae Street as well as High Street within the vicinity of your residence/business.

Site preparations for the reconstruction will commence on or about **April 18<sup>th</sup>, 2022**. Reconstruction is expected to commence on or about **May 2<sup>nd</sup>, 2022** with work expected to be completed by **July 28<sup>th</sup>, 2023**. Work will generally begin at 7:00am and continue until approximately 7:00pm. Further details will be provided with locations and timing for the reconstruction.

TCCL values the relationship with our local businesses and residents. We will make all reasonable efforts to ensure that your entrances will remain accessible and operational during this time. Here are some of the measures we will put in place to do so:

- Safety: one of TCCL's core values - we will establish and maintain a safe work environment throughout the duration of construction.
- Communication: maintain open communication with businesses and residents to keep them informed of upcoming operations and possible disputes.
- Collaboration: Work with the Town to maintain parking and access in the downtown core
- Accessibility: Establish relationships with pedestrians in and around the construction site to ensure safety and accessibility to all businesses and residences.

We greatly appreciate your patience and understanding during these upcoming works. TCCL will make every reasonable effort to minimize all disturbances throughout construction. If you have any questions or concerns, please do not hesitate to contact myself or the alternates at the below numbers.

Yours Truly,  
Hilary Lalonde, Project Manager  
Thomas Cavanagh Construction Ltd.
