DOWNTOWN ALMONTE CONSTRUCTION 2022-2023

Communications

Mississippi Mills appreciates those who have provided their information to be added to our emailing list. For those of you who have not yet joined our email list, please provide contact name, phone number and property address to smithr@mississippimills.ca and you will be added for future notifications.

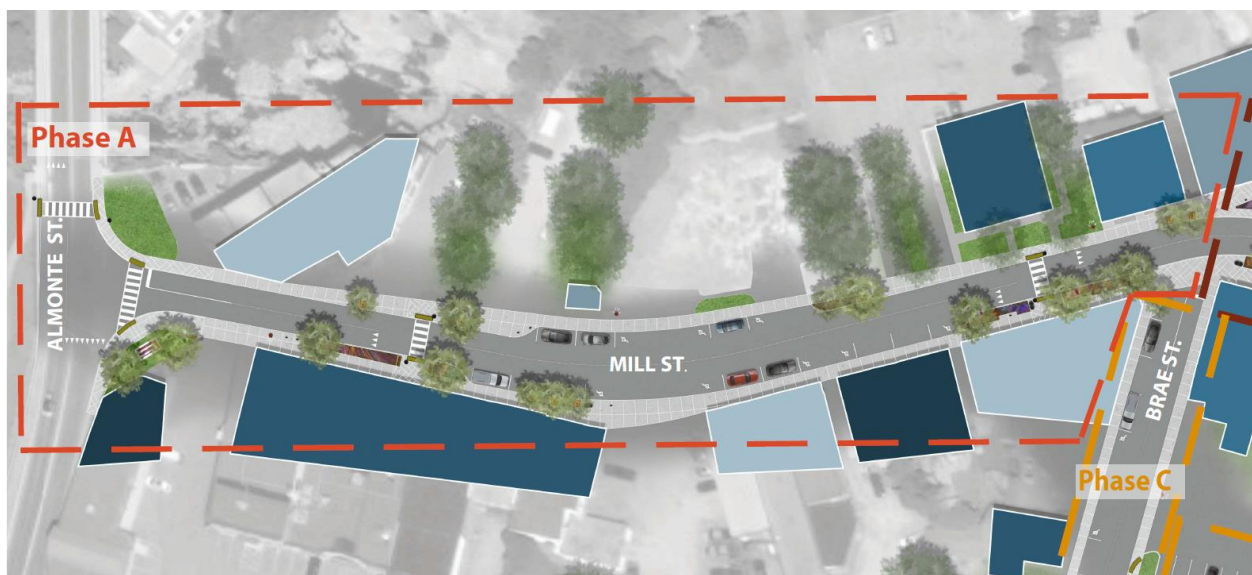

Enbridge Gas

Enbridge is nearing completion of the infrastructure upgrades along Mill Street between Brae Street and Bridge Street. This work is scheduled to be completed by the 29th of April. Once this work is completed the section of road between Brae Street and Bridge Street will be re-opened to vehicular traffic. As always, entrances to businesses and sidewalks remain accessible.

Cavanagh Mobilizing

Cavanagh has commenced on site works in preparation to start construction. This work includes but is not limited to; sidewalk/asphalt cutting and removal, tree removal and installation of temporary signage. In the coming week crews will begin laying out temporary watermains. These temporary watermains will be buried within the existing sidewalk. Prior to any planned water disruptions, a notice will be hand delivered to all affected residents and businesses.

A full road closure is scheduled to start May 2nd, 2022, starting at Almonte Street, and progressing up Mill Street towards Brae Street. The rendering below indicates the area that will be impacted; Phase A. Accessibility to businesses that require deliveries and or access will be accommodated. As construction progresses, access from Almonte Street will be restored.
