

Mississippi Mills 2048

Our Community, Our Future

Community Services Master Plan

The Community Services Master Plan considers all recreation parks, facilities, programming, culture, public art, heritage and childcare services. This project will develop a shared understanding of the services and the future direction they will take in conjunction with the changes and growth of the Municipality.

A Steering Committee has been struck which will regularly provide updates to Council. The Committee includes Councillor Ferguson, Councillor Lowe and Councillor Torrance.
