Public Notice - Pesticide Use

The County of Lanark and participating municipalities intend to utilize Wagar & Corput Weed Control Inc. to control noxious wild parsnip along rural roadsides within the County of Lanark.

The spraying will occur on pre-selected rural municipal and county roads within the County of Lanark.

The Contractor will be using the following pesticides registered under the Pest Control Products Act (Canada): ClearView Herbicide (Reg #29752), containing the active ingredients Metsulfuron-methyl and Aminopyralid, (present as potassium salt), and Gateway Adjuvant (Reg #31470), containing the active ingredients Paraffinic Oil and Alkoxylated alcohol non-ionic surfactant.

This pesticide use falls under the exception to the cosmetic pesticide ban mentioned in subsection 7.1 (2) of the Pesticides Act for uses related to the promotion of public health or safety.

Commencing: June 1st through July 31st, 2026 (weather permitting).
