## COMMUNITY IMPACT GRANT Mississippi Mississippi Mills

## MICRO GRANT APPLICATION

Micro Grants support small, local projects led by residents that help people connect with their neighbours. These activities happen close to home—right on your street or in your neighbourhood. Whether it's a block party, a snowperson-building contest, or a community clean-up, these events help people feel included, creative, and proud of where they live. We especially love projects that bring people together and share local stories.  TELL US WHAT YOU ARE REQUESTING THE GRANT FOR?  Describe the project, event, or program and you are applying for. Include dates and relavant info.  MAKING OUR COMMUNITY BETTER  We want to support activities that help people feel welcome, connected, and proud of where they live. We especially like projects that bring people together, share local stories, and include everyone. How does your activity help people feel included, connected, or proud of their			
		community?
