Message from the Board Chair

The first year of operation for the Lanark County OPP Detachment Board has focused on orientation, education, establishing the framework for governance and working with the Lanark OPP Detachment on policing priorities. The Detachment Board brings together representatives from all Lanark County municipalities and enables us to work together to ensure policing by the OPP is adequate and effective in meeting the needs of our communities. I extend thanks to our dedicated officers and support staff for their service, and to our Board members for their work in this inaugural year.

Perth Deputy-Mayor Ed McPherson, Lanark County OPP Detachment Board Chair

Message from the Detachment Commander

I am pleased to provide Lanark Detachment's Annual Report, which includes data about crime, traffic and community well-being for 2025 in support of the Board's report. Lanark OPP is committed to addressing violent crime and providing victim supports alongside community partners, as well as addressing traffic safety and continuing to build relationships with diverse groups and organizations. In 2026, we will release our 2026-2029 Lanark County Detachment Action Plan, which is our first under the new Community Safety and Policing Act. We will continue to work closely with the Detachment Board and community members to ensure community needs are reflected in commitments we make for the next four years.

Inspector Kerlous Tawdrous, Lanark County OPP Detachment Commander

Introduction

The Lanark County Detachment Board ("Detachment Board") works with the Lanark County OPP Detachment Commander to meet objectives and priorities for the detachment and to provide community input related to policing provided. This collaboration helps to ensure strategic priorities identified by the OPP reflect local community safety goals, while meeting the governance requirements under the Community Safety and Policing Act (CSPA) and providing an avenue for local concerns to be heard and addressed.

Role of Detachment Boards and Annual Reporting Requirements

Under the CSPA (Section 68 (1)), OPP Detachment Boards are required to:

- (a) participate in the Commissioner's selection of a permanent detachment commander in accordance with the process established by the Commissioner;
- (b) determine objectives and priorities for the detachment, not inconsistent with the strategic plan prepared by the Minister, after consultation with the detachment commander or his or her designate;

- (c) advise the detachment commander with respect to policing provided by the detachment;
- (d) monitor the performance of the detachment commander;
- (e) review the reports from the detachment commander regarding policing provided by the detachment; and
- (f) on or before June 30 in each year, provide an annual report to the municipalities and band councils regarding the policing provided by the detachment in their municipalities or First Nation reserves.

This report has been prepared in accordance with the CSPA requirement for the Lanark County Detachment Board.

Adequate and Effecting Policing

Under the CSPA (Section 10), police services are required to ensure “adequate and effective policing” is provided to meet the needs of populations within their respective areas. Under Section 11, this means a number of functions must be provided in accordance with standards set out in regulations, “including the standards with respect to the avoidance of conflicts of interest, and with the requirements of the *Canadian Charter of Rights and Freedoms* and the *Human Rights Code*.” The functions are as follows:

1. Crime prevention.
2. Law enforcement.
3. Maintaining the public peace.
4. Emergency response.
5. Assistance to victims of crime.
6. Any other prescribed policing functions.

Ontario Regulation 392/23 sets out the generally applicable standard for adequate and effective policing based on available quantitative and qualitative information. It states a policing function shall be provided to an extent and in a manner that is reasonable, having regard to the following factors:

1. The policing needs of the community.
2. The geographic and socio-demographic characteristics of the police service’s area of policing responsibility.
3. The extent to and manner in which the policing function is effectively provided in similar communities in Ontario.

4. The extent to which past provision of the policing function by the police service has been effective in addressing the policing needs of the community.
5. Best practices respecting the policing function.

2025 Detachment Board Activities

The Lanark County OPP Detachment Board came into effect at its inaugural meeting on April 23, 2025.

In May, the Board completed a hiring process for the secretary-treasurer position, which is part of a new role in the Clerk's Department at the County of Lanark called the Lanark County OPP Detachment Board Support Coordinator. This involved creation and adoption of a Memorandum of Understanding between the Board and Lanark County to outline management of the position and support required for managing Board budgets and operations. This also involved updating policies, by-laws and financial documentation forms to correspond with Lanark County hosting the Board. The new position began on June 2, taking over from Acting Secretary-Treasurer Diane Smithson.

To help demonstrate adequate and effective policing, the Board received quarterly statistical reports from the Detachment Commander, as well as regular updates related to staffing and operations at the detachment, including community engagement and patrol hours. Lanark County was successful in receiving the RIDE grant for 2026-2029, and the Inspector outlined plans related to those operations.

The Board focused on education in 2025, offering presentations from OPP units and community partners representing a range of programs, including:

- Lanark County Situation Table and the Community Safety and Well-Being Plan
- Mobile Crisis Response Team
- Proceeds of Crime Grant Programs in partnership with the Upper Canada District School Board
- OPP K9 Program and demonstration

The Board approved its 2025 budget and drafted the 2026 budget, which was adopted on Oct. 14. The Board also adopted numerous governance documents, as outlined later in this report.

The Inspector provided regular updates about the process and planned consultations for the new Lanark Detachment Action Plan (2026-2029), which was received and approved by the Board on Dec. 1.

The Board advertised the opportunity to apply to the Ministry for the two provincial appointee positions on the Board. As of the end of 2025, the Ministry had not filled the positions.

The Board adopted a policy related to the required Detachment Commander Feedback/Evaluation process and worked with the Inspector on priorities identified in

the Detachment Action Plan for 2025. As outlined in a Standard Operating Procedure provided by the OPP, the feedback form was submitted by deadlines.

Based on feedback from municipal representatives, Lanark Detachment responded to areas of concern related to school bus safety and marine patrol.

A page dedicated to the Lanark County OPP Detachment Board can be found on the County's website at <https://www.lanarkcounty.ca/government/councilcommittees/>

Message from the Detachment Commander

I am pleased to present the Lanark County Detachment - 2025 Detachment Board Annual Report. This report includes crime, traffic enforcement and community well-being data, and highlights initiatives and successes from the past year. 2025 was the last year of the 2023-2025 Lanark County Detachment Action Plan and this report will provide a final update and progress results from that plan.

I am proud of the work undertaken by our civilian and uniform members at the Lanark Detachment, to ensure community safety and serve our citizens.

In 2025, we saw a 12% increase (year-over-year) in violent crime in Lanark County and responded by ensuring we support victims in our community and hold violent offenders accountable. We remain victim centric, strengthening our relationship with Victim Services and the Victim Advocate program (Interval House) to increase referrals in our community. We provided training for officers on intimate partner violence (IPV) to ensure they have the tools to investigate complex files.

We maintained our commitment to traffic safety and prioritized enforcement of dangerous drivers in our communities. We increased our enforcement on roadways by 7%. We increased our patrol hours by 35%, to ensure officers were visible in our communities.

Our detachment Community Diversity, Equity and Inclusion Council continued to engage with groups and organizations in our area to build relationships and promote community safety and well-being.

In 2026, we will release our new 2026-2029 Lanark County Detachment Action Plan. This is the first action plan developed under the *Community Safety and Policing Act* (CSPA). We are working closely with Lanark OPP Detachment Board and engaging with community members to ensure the needs of our communities are reflected in the commitments we make for the next four years.

Development of the 2026-2029 Lanark County Detachment Action Plan will coincide with the creation of the 2026-2029 OPP Strategic Plan creating organizational alignment.

As we look ahead to emerging challenges and new opportunities in policing and community safety, our detachment members remain committed to our mission to serve our communities, protect our citizens, uphold the law, and preserve public safety.

Summary of Commitments

Through analysis and consultation, the following areas of focus were identified for the years 2023-2025.

Crime	Roadways, Waterways and Trails	Community Well-Being
Reduce and prevent crimes against persons while increasing the support for victims, particularly those affected by intimate partner violence (IPV). To reduce the number of property crime offences by focusing on the most prevalent types of property crime. To focus on individuals that traffic illicit drugs in our communities.	To focus enforcement on the “Big 4” causal factors of motor vehicles collisions on our roadways/waterways (impaired driving, lack of seat belt use, speeding and inattentive driving). Effectively address traffic-related concerns identified by our local municipalities.	Lanark County Detachment is committed to building trust through diversity, equity and inclusion initiatives. Collaboration with community partners to increase available supports offered to the most vulnerable community members. Reduce the proliferation of opioid use/overdoses within Lanark County. Implement the newly signed Lanark County/Smiths Falls Police Hospital Transfer of Care Protocol.

2025 Crime Progress Results

Commitment	Progress Results
Reduce and prevent crimes against persons while increasing the support for victims, particularly those affected by intimate partner violence (IPV).	We have worked with our partners to spread education and awareness of IPV. Occurrences continued to increase, driven by a multitude of factors including population growth in the county. We had a 48% increase in IPV Calls for Service (CFS) in 2025 compared to 2024. We have embedded a Detachment Abuse Issues Investigator (DAII). This member is assigned to review all crimes against person occurrences and provide their expertise to enhance victim support and safety planning. This member provides their expert advice on investigative steps and will assist throughout the course of the investigation ensuring we hold offenders accountable. We remain victim centric, strengthening our relationship with Victim Services and the Victim Advocate program (Interval House) and increasing referrals to ensure that victims are supported. We have increased our training to officers on IPV investigations to ensure officers have the tools to investigate complex files.
To reduce the number of property crime offences by focusing on the most prevalent types of property crime.	In 2025 property crime decreased by 13% compared to 2024. The Community Street Crime Unit (CSCU) continued to target individuals committing property crimes, such as break and enters, and serial thefts. We have increased our patrol hours by over 35% to ensure officers are visible in our communities to deter and respond to crime.
To focus on individuals that traffic illicit drugs in our communities.	The CSCU continues to work cooperatively with the Organized Crime Enforcement Bureau and municipal policing partners targeting organized crime and community specific illicit substance traffickers. CSCU is committed to ensuring public safety and delivering proactive and innovative policing. CSCU has utilized numerous investigative techniques to combat the illicit distribution of opioids.

2025 Roadways, Waterways and Trails Progress Results

Commitment	Progress Results
To focus enforcement on the “Big 4” causal factors of motor vehicles collisions on our roadways/waterways (impaired driving, lack of seat belt use, speeding and inattentive driving).	In 2025, Lanark County Detachment members increased patrol by 35% and enforcement on our roadways by 7% compared to 2024. We used intelligence led focused patrols to target areas of high motor vehicle collisions.
Effectively address traffic-related concerns identified by our local municipalities.	Lanark County Detachment is fortunate to have strong collaboration with the 8 municipalities in the county. The municipalities have a Speed Enforcement Policy to ensure that they use technology to provide police with accurate data of vehicle speeds on the roadways that allows police to target areas of concern through enforcement action.

2025 Community Well-Being Progress Results

Commitment	Progress Results
Lanark County Detachment is committed to building trust through diversity, equity and inclusion initiatives.	I am proud of the excellent work done in our communities through the Lanark Diversity, Equity and Inclusion Committee. They attended various community events across the county to help foster police trust. They set up educational presentations to our officers on various cultures and backgrounds. They volunteered their time to support vulnerable populations. Lanark County Detachment continued its partnership with the Upper Canada District School Board (UCDSB) to ensure safe and inclusive schools. These included officers attending schools and participating in readings that taught children about inclusivity.
Collaboration with community partners to increase available supports offered to the most vulnerable community members.	Lanark County Detachment has remained committed to collaboration, it has increased referrals to our Victim Services Program, Victim Advocate Program (Interval House), and our Mobile Crisis Response Team (MCRT). We continue to work closely with all partners and stakeholders understanding that community safety is a shared responsibility.
Reduce the proliferation of opioid use/overdoses within Lanark County.	In 2025, we did not have any fatal opioid overdoses. We remain committed to stopping the flow of drugs in our communities.
Implement the newly signed Lanark County/Smiths Falls Police Hospital Transfer of Care Protocol.	Lanark County Detachment lead and implemented a Police Hospital Transition of Care Protocol through collaboration with Perth & Smiths Falls Hospitals, Mississippi River Health Alliance, Smiths Falls Police, and Lanark County Paramedics Service. The Hospital Transition protocol ensures that all providers collaborate to ensure adequate resources are engaged.

Other Community Updates

We listened to our municipalities and worked with the Lanark OPP Detachment Board to increase patrol hours by 35 % in our communities. We prioritized community presence and visibility to detour crime and keep our roadways safe. We allocated resources to support officers with the administrative tasks, to ensure they were available for patrols. This also increased our enforcement by 7% on the roadways, as we remained focused on traffic safety.

Throughout the year, the Lanark County Detachment attended schools for foot patrol, presented about police to summer camps, and attended several sports and community events. Officers routinely participated in Assessment of Risk to Others (ARTO/VTRA) meetings to assist with supporting schools and youth who may be struggling with psychosocial issues or discipline; officers were then also engaging with the youth's family to provide wrap-around support. The detachment members organized various events to continue to foster trust with youth including Special Olympics, Skate with a Cop, and open houses.

Lanark County Detachment continued to engage with diverse groups and organizations in our area to build relationships and promote community safety and well-being.

Policing Hours

The OPP has developed a Service Delivery Model (SDM) in response to several reviews and audit recommendations. The SDM is designed to:

- Promote officer wellness through balanced workloads
- Determine adequate staffing levels at each detachment
- Ensure the continued delivery of adequate and effective policing services in accordance with the *Community Safety and Policing Act (CSPA)*

To support SDM implementation, the OPP is undertaking a multi-year staffing strategy to address required increases in detachment personnel. This model supports the OPP’s ability to:

- Respond effectively to increasing calls for service
- Maintain safe communities through proactive patrols and community engagement
- Meet municipal expectations for police visibility

To monitor progress and guide detachment-level planning, the OPP has established time allocation targets for provincial constables (Figure 1). These targets reflect how time should ideally be distributed by the end of the SDM staffing strategy.

The targets are based on a provincial average, and variations are expected between detachments due to differences in geography, operational structure, recruitment and leave of absence rates.

Detachments may face challenges in achieving these targets, but progress is expected as scheduling, data quality and strategic deployment continue to improve.

- ✓ a crime in progress
- ✓ a fire
- ✓ a life-threatening medical emergency

Dialed 9-1-1 accidentally? #Be911Ready. Don't hang up, stay on the line and speak with an OPP Communicator to confirm there's no emergency.

The misuse of 911 ties up emergency lines, communicators and officers, which can result in a slower response to a real emergency and risks the safety of people who may need urgent help.

It is against the law to call 9-1-1 as a joke. Prank 9-1-1 calls can be dangerous and waste valuable emergency resources.
